

# School Site Council Meeting Notice

**September 25, 2026**  
**4:15 - 5:15pm**  
**Zoom**

## **Agenda**

| <b>Agenda Topic</b>        | <b>Description</b>                                                                                                                                                             |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Overview & Purpose of SSC  | Review the role, key responsibilities, and expectations of the School Site Council in supporting school governance and decision-making.                                        |
| Vote on Officers           | Nominate and vote to elect the School Site Council officers for the upcoming school year.                                                                                      |
| Goals for SSC for the Year | Establish, review, and monitor annual school priorities, performance metrics, and Local Control and Accountability Plan (LCAP) goals to support continuous school improvement. |
| Discuss and Approve Bylaws | Review, discuss, and vote to formally adopt or update the School Site Council operational bylaws and guidelines.                                                               |
