Key Topics / Temas clave

- Alpha Safety + Emergency Plan

Students do have the opportunity to practice all 3 drills (earthquake, fire, unsafe activity) throughout the year.

No Questions asked

- Fall Family Survey Results

Bright Spots for the campus:

Stackhouse- All of the after school events for students to attend that are open to both elementary and middle school students

Mendoza- Building on school safety and security. Adding a doorbell and gate to prevent unfamiliar community members from coming to campus without a reason.

Question: Do students still need to wait at the gate prior to class actually attending?

Answer: Yes, The gate opens at 7:40 am and the gates primary usage to catch late reveals after the time of 8 am to ensure they are students and only entering through one place and receiving a tardy pass.

Feedback: Parents would like to see the elementary students can wait in between the first and second gate vs the street side to allow for my safe areas to waits (especially the very young students

Next steps: Vargas will take this feedback to Para and make an announcement on konstella to confirm any changes.

Question: Can the cafeteria be a place for students to wait.

Next Steps: Vargas will bring the suggestion back to SLT as a conversation

Feedback: Middle schoolers are currently in the way of my elementary families , which have caused a traffic jam at the front elementary gate.

Next Step: Vargas will connect with Minatee about the issue and plan to address this issue during middle school morning huddle. We also use morning drop off staff to support in moving students prior to letting elementary in the prevent and jams.

Questions: Can there be an adult outside waiting with students starting at 7:30 am

Next Staff: Vargas will ask about morning and ending day duties to see if a person can be staffed in that position .

Public Comment / Comentario público

- Include the topic, parent name, student name of a parent, school name / **Incluya el tema, el nombre del padre, el nombre del estudiante de un padre, el nombre de la escuela**

Question: What are we doing as a school to better support teachers to stay with the school

over the next few years and how to keep them.

Next Step: The Network uses a survey to ask teachers what they need to be a better teacher to stay with the school for multiple years. And we will be discussing this topic again at the next and last SCC meeting .

Feedback: Parents are very concerned (2nd grade) with the transitions for great teachers. The students loved Ms.Kentre and she feels as if her student has not advanced since they she has left

Next steps: Vargas shared that if you have and specific concerns to reach out to the grade AP and that she will be working with Ms.Brookes and Ms. Faunas to remediate this issue

Parent Response: Parents are also noticing Extended subs are also out of office often so students still are not getting enough support by her standard.

SLT Response: She will bring this concern to the AP in charge to see what is happening within the classroom

Announcements: On saturday to celebrate Children's Day you can come to AJH to celebrate at 10 am (face painting, bounce house and goodies for students and their families)

Notes:

- The next SSC meeting will be held on May 15, 2025 . Planning on discussing the budget. ELCAP progress for the next school year.
