School Site Report / Informe del sitio escolar

1. Review academic data - MAP / *Revisar datos académicos - MAP*

Excited to see that 6th & 8th grade are doing well and do not have a deep in the data.

1st grade scores are low and we need to remember that they are new to the school settings and especially since their time in the school was cut short due to the pandemic.

Focusing our interventions and resources to the grade based on data.

Excited to see so many students meet growth targets and exceed them.
