

Resources to Help Prevent Human Trafficking

Human trafficking involves exploiting a person through force, fraud, or coercion for the purpose of forced labor, commercial sex, or both. Victims of human trafficking include men, women, boys, girls, and transgender individuals lured by the promise of a better life in the United States and adults and children who were born and raised in the United States.

In accordance with SB1104 and AB1227, Alpha Public School provides to parents the following information on human trafficking prevention resources:
