- Action Item
    - East Side Unified School District Visit Recap
        - Mr. Hoopes - Reviewed the slides that were presented to our ESUHSD partners.
        - Mr. Cory - The visitor did come into Algebra class. Didn't ask any questions and that was it.
        - Michael C. - Only visited his PreCal class. Looked at the class board and left.
        - Ms. Frida - Didn't have a visitor since she was on prep.
        - Ms. BW - Had a 2 minute visit without any questions.
        - Feedback - The visitors appreciated the work done by students and staff but also felt that more learning could've happened in the classrooms. We should receive the full report soon and will share during the next SSC meeting.
    - LCAP Mid-Year Review
        - This report reflects our goals and is directed connected to school finances as well.

- What are areas of strengths vs areas of growth?

2026-27 Areas of Strength	2026-27 Areas of Growth
College and Access is an area of strength Student Group supports More family engagement H&TE along with Academic These connect to Com Schools Goals - alignment to LCAP goals	HTE - The fighting on campus amongst student groups - Vandalism and drug use - Bullying Talent Retention - We have to find a way to keep teachers here - Confidentiality makes it hard to discuss and communicate Survey suggestions related from teachers should be put into action Support for teachers w/ SEL program

- Parent Compact Review
