

Background:

On November 8, 2022, California voters approved Proposition 28: The Arts and Music in Schools (AMS) Funding Guarantee and Accountability Act. The measure required the state to establish a new, ongoing program supporting arts instruction in schools beginning in 2023–24.

The legislation allocates 1 percent of the kindergarten through grade twelve (K–12) portion of the Proposition 98 funding guarantee provided in the prior fiscal year, excluding funding appropriated for the AMS education program. Local educational agencies (LEAs) with 500 or more students are required to ensure that at least 80 percent of AMS funds to be expended are used to employ certificated or classified employees to provide arts education program instruction. The remaining funds must be used for training, supplies and materials, and arts educational partnership programs, with no more than 1 percent of funds received to be used for an LEA's administrative expenses. For LEAs with an enrollment of 500 or more pupils, the certification shall also ensure that at least 80 percent of funds to be expended will be used to employ certificated or classified employees to provide arts education program instruction and that the remaining funds will be used for training, supplies and materials, and arts educational partnership programs, unless a waiver of this requirement has been granted.

3) Certify that no more than 1 percent of funds received will be used for an LEA's administrative expenses, including indirect costs, to implement this chapter and that funds received in the prior fiscal year were, in fact, used within that limit.

4) Submit an annual board- or body-approved report in a manner determined by the Superintendent, that shall be posted on the LEA's and the California Department of Education's (CDE's) internet websites and details the type of arts education programs funded by the program; the number of full-time equivalent teachers, classified personnel, and teaching aides; the number of pupils served; and the number of school sites providing arts education programs with those funds.
