Title IX, Harassment, Intimidation, Discrimination, and Bullying Policy

Alpha Public Schools believes all students have the right to a safe and civil learning environment. Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors which interfere with students' ability to learn, negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, the School prohibits any acts of discrimination, harassment, sexual harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, "discrimination, sexual harassment, harassment, intimidation, and bullying" describe the intentional conduct, including verbal, physical, written communication, or cyber-bullying, including cyber sexual bullying, that is based on the actual or perceived characteristics of disability, pregnancy, gender, gender identity, gender expression, nationality, ancestry, race or ethnicity, immigration status, religion, religious affiliation, sexual orientation, childbirth or related medical conditions, marital status, age, or association with a person or group with one or more of these actual or perceived characteristics or any other basis protected by federal, state, local law, ordinance, or regulation. In addition, bullying encompasses any conduct described in the definitions set forth in this policy. Hereafter, such actions are referred to as "misconduct prohibited by this policy."

To the extent possible, the School will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. School staff who witness acts of misconduct prohibited by this policy will take immediate steps to intervene, when safe to do so.

Moreover, the School will not condone or tolerate misconduct prohibited by this policy by any employee, independent contractor, or other person with which the School does business, or any other individual, student, or volunteer. This policy applies to all employee, student, or volunteer actions and relationships, regardless of position or gender. The School will promptly and thoroughly investigate any complaint of such misconduct prohibited by this policy and take appropriate corrective action, if warranted.

General Complaints Policy

Internal Complaint Policy

Suggestions for improving the School are always welcome. Your good-faith complaints, questions, and suggestions also are of concern to the School. We ask you to first discuss your concerns with your child's teacher, principal, and then follow these steps:

Any complaint shall be put in writing using the "Complaint Form" and addressed to the Principal. A written complaint shall include:

1. The full name of each person involved
2. A brief but specific summary of the complaint and the facts surrounding it
3. A specific description of any prior attempt to discuss the complaint with the person and the failure to resolve the matter

The Principal shall investigate the complaint as necessary and shall promptly mail a written notice to the Complainant of the date, time, and place of a meeting between the Complainant and the Principal, which shall occur no later than ten (10) school days following the receipt of complaint.

If no resolution can be agreed upon between the Principal and the Complainant, the Principal shall submit the complaint to the Chief Schools Officer.

The Chief Schools Officer may seek additional investigation by the Principal as he/she deems necessary and will issue a resolution. The Chief Schools Officer will make the final determination regarding the dispute and shall notify the Complainant of the resolution within ten school days of the determination.

This procedure, which we believe is important for both you and the School, cannot guarantee that every problem will be resolved to your satisfaction. However, the School values your observations and you should feel free to raise issues of concern, in good faith, without the fear of retaliation.

Policy for Complaints Against Employees

The School requires all employees to observe the highest standard of business and personal ethics in the conduct of their duties and responsibilities. As representatives of the School, employees must practice honesty and integrity in fulfilling responsibilities and comply with all applicable laws and regulations.

Depending on the nature of the complaint, the complainant will be provided information concerning the applicable policy and procedures to be followed. If there is no applicable policy or procedures, the Principal (or designee) shall encourage the parties involved to seek an informal resolution of the issues. If this is not possible due to the nature of the complaint or if informal resolution has been unsuccessfully attempted, the Principal (or designee) shall undertake a responsible inquiry into the complaint to ensure it is reasonably and swiftly addressed. When appropriate, a written statement of the complaint will be obtained from the complainant.

If the complainant files a written complaint and no other school policy or procedure is applicable, the Principal (or designee) shall abide by the following process:

1. Within 10 working days of the receipt of the complaint, the Principal or designee shall use his or her best efforts to talk with the parties identified in the complaint and to ascertain the facts relating to the complaint.

2. In the event that the Principal (or designee) finds that a complaint against an employee is valid, the Principal (or designee) may take appropriate disciplinary action against the employee. As appropriate, the Principal (or designee) may also simply counsel/reprimand employees as to their conduct without initiating formal disciplinary measures.
3. The Principal's (or designee's) decision relating to the complaint shall be final unless it is appealed to the Chief Schools Officer. The decision of the Chief Schools Officer shall be final.

Confidentiality

Complainants will be notified that information obtained from the complainants and thereafter gathered will be maintained in a manner as confidential as possible, but in some circumstances absolute confidentiality cannot be assured.

Non-Retaliation

Complainants will be advised that they will be protected against retaliation as a result of the filing of any complaints or participation in any complaint process.

The School acknowledges and respects every individual's rights to privacy. Unlawful discrimination, harassment, intimidation or bullying complaints shall be investigated in a manner that protects [to the greatest extent reasonably possible] the confidentiality of the parties and the integrity of the process. The School cannot guarantee anonymity of the complainant. This includes keeping the identity of the complainant confidential. However, the School will attempt to do so as appropriate. The School prohibits any form of retaliation against any complainant in the complaint process, including but not limited to a complainant's filing of a complaint or the reporting of instances of unlawful discrimination, harassment, intimidation or bullying. Such participation shall not in any way affect the status, grades or work assignments of the complainant.

Compliance Officers

The School's Board of Directors designates the following Compliance Officer to receive and investigate complaints and to ensure the School's compliance with law:

Chief Schools Officer
Alpha Public Schools
2110 Story Rd. Suite 250
San Jose, CA 95122

The Chief Schools Officer or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Designated employees may have access to legal counsel as determined by the Chief Schools Officer or designee.

Should a complaint be filed against the Chief Schools Officer, the compliance officer for that case shall be the CEO.

Notifications

The Chief Schools Officer or designee shall annually provide written notification of the School's uniform complaint procedures to employees, students, parents and/or guardians, advisory committees, private school officials and other interested parties (e.g., Adult Education).

The annual notice shall be in English, and when necessary, in the primary language, pursuant to section 48985 of the Education Code if fifteen (15) percent or more of the pupils enrolled in the School speak a single primary language other than English.

The Principal or designee shall make available copies of the School's uniform complaint procedures free of charge.

The annual notice shall include the following:

- (f) A statement that copies of the local educational agency complaint procedures shall be available free of charge.

Uniform Complaint Procedures

The following procedures shall be used to address all complaints which allege that the School has violated federal or state laws or regulations governing educational programs. Compliance Officers shall maintain a record of each complaint and subsequent related actions.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

Step 1: Filing of Complaint

Any individual, public agency or organization may file a written complaint of alleged noncompliance by the School.

A complaint alleging unlawful discrimination, harassment, intimidation, and/or bullying shall be initiated no later than six (6) months from the date when the alleged discrimination, harassment, intimidation, and/or bullying occurred, or six months from the date when the Complainant first obtained knowledge of the facts of the unlawful alleged discrimination, harassment, intimidation, and/or bullying. A complaint may be filed by a person who alleges that he/she personally suffered unlawful discrimination, harassment, intimidation, and/or bullying or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination, harassment, intimidation, and/or bullying.

Pupil fees complaints shall be filed not later than one (1) year from the date the alleged violation occurred.

The complaint shall be presented to the Compliance Officer who shall maintain a log of complaints received, providing each with a code number and date stamp.

If a Complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, School staff shall assist him/her in the filing of the complaint.

Step 2: Mediation

Within three days of receiving the complaint, the Compliance Officer may informally discuss with the Complainant the possibility of using mediation. If the Complainant agrees to mediation, the Compliance Officer shall make arrangements for this process.

Before initiating the mediation of an unlawful discrimination, harassment, intimidation, and/or bullying complaint, the Compliance Officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the Compliance Officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the School's timelines for investigating and resolving the complaint unless the Complainant agrees in writing to such an extension of time.

Step 3: Investigation of Complaint

The Compliance Officer is encouraged to hold an investigative meeting within five days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the Complainant and/or his/her representative to repeat the complaint orally.

The Complainant and/or his/her representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint.

A Complainant's refusal to provide the School's investigator with documents or other evidence related to the allegations in the complaint, or his/her failure or refusal to cooperate in the investigation or his/her engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

The School's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the Complainant.

Step 4: Response

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report of the Charter School's investigation and decision, as described in Step #5 below, within sixty (60) days of the Charter School's receipt of the complaint.

Step 5: Final Written Decision

The School's decision shall be in writing and sent to the Complainant. The School's decision shall be written in English and in the language of the Complainant whenever feasible or as required by law.

The decision shall include:

- 1048576. The findings of fact based on evidence gathered.
- 1048577. The conclusion(s) of law.
- 1048578. Disposition of the complaint.
- 1048579. Rationale for such disposition.
- 1048580. Corrective actions, if any are warranted.
- 1048581. Notice of the Complainant's right to appeal the School's decision within fifteen (15) days to the CDE and procedures to be followed for initiating such an appeal.
- 1048582. For unlawful discrimination, harassment, intimidation, and/or bullying complaints arising under state law, notice that the Complainant must wait until 60 days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies.
- 1048583. For unlawful discrimination, harassment, intimidation, and/or bullying complaints arising under federal law such complaint may be made at any time to the U.S. Department of Education, Office for Civil Rights.

If an employee is disciplined as a result of the complaint, the decision shall simply state that effective action was taken and that the employee was informed of the School's expectations. The report shall not give any further information as to the nature of the disciplinary action.

Appeals to the California Department of Education

If dissatisfied with the School's decision, the Complainant may appeal in writing to the CDE within fifteen (15) days of receiving the School's decision. When appealing to the CDE, the Complainant must specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the School's decision.

Upon notification by the CDE that the Complainant has appealed the School's decision, the Chief Schools Officer or designee shall forward the following documents to the CDE:

- A copy of the original complaint.
- A copy of the decision.
- A summary of the nature and extent of the investigation conducted by the School, if not covered by the decision.
- A copy of the investigation files, including but not limited to all notes, interviews, and documents submitted by all parties and gathered by the investigator.
- A report of any action taken to resolve the complaint.
- A copy of the School's complaint procedures.
- Other relevant information requested by the CDE.

The CDE may directly intervene in the complaint without waiting for action by the School when one of the conditions listed in Title 5, California Code of Regulations, Section 4650 exists, including cases in which the School has not taken action within 60 days of the date the complaint was filed with the School.

Civil Law Remedies

A Complainant may pursue available civil law remedies outside of the School's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation, and/or bullying complaints arising under state law, however, a Complainant must wait until 60 days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the School has

appropriately, and in a timely manner, apprised the Complainant of his/her right to file a complaint in accordance with 5 CCR 4622.
